Dear Mr. Lederberg:

It has been a pleasure to go over your application for a short-term fellowship to work with Dr. Tatum next spring and summer. I look forward to the opportunity of meeting you. Since I expect to be in New York on Saturday, December 29, I wonder if you could conveniently arrange to meet me for a short talk about noon on that day. If this time is convenient, we might meet at Bard Hall or at any other place at the Medical Center where we could have a quiet chat alone. Will you indicate in your reply where would be the best place to meet.

Sincerely yours,

R. G. Meader
